The test will last 1 hour 30 minutes once it has started.

Access to the video = 30 minutes

NO dictionary – No outside help

Your name : _____

Write a summary (approximately 250 words)

“... Explain the phenomenon presented in the video, its positive and negative aspects (give relevant details) and its possible impact on the future”

*In your conclusion, express **your own** opinion on the subject.*

N.B. Simple copy and paste will be penalised

****Remember to ...**

- Vary your vocabulary & structures – pay attention to style. Keep the tone formal.
- Organise your ideas
- Link those ideas
- Write clearly
- Leave yourself some time to reread – to check for those silly mistakes...
