A large, dense crowd of people is gathered at an outdoor sports event, likely a skateboarding competition. In the foreground, a man in a blue t-shirt and light-colored pants is seen from the side, raising his right hand in a "rock on" or peace sign gesture. The crowd behind him is also cheering and raising their hands. In the background, there are several multi-story buildings and a large digital screen displaying a blue image. Banners for "DAIKI" and "JAPAN AIRLINES" are visible along the front of the crowd.
